Re: Brian Blood Memorial Golf Tournament

We are hosting the second annual Brian Blood Memorial Golf Tournament on Monday September 25th, 2017 at Butter Brook Golf Club in Westford, MA. This event is in honor of our late father, Brian Blood, who passed away after a short but courageous battle with Esophageal Cancer on May 28, 2015. Prior to his passing, we promised him we would hold an annual golf tournament in his honor, with the goal of raising money for esophageal cancer awareness and research. Last year was a huge success! We raised over \$12,500 for esophageal cancer research. We are reaching out to you for your support in our search for a cure. All proceeds will be donated to the Salgi Esophageal Cancer Research Foundation, which promotes awareness, early detection, and research in hopes of a cure.

We invite you to join us as a sponsor and/or participant for this event. By participating you will help play a critical role in promoting awareness to the fastest growing cancer in the United States. We are anticipating a highly successful and well-attended event. We are offering various levels of sponsorships. Please see the attached sponsor package form for more information.

We thank you in advance for your support,

Sincerely,

Travis Blood and Ashley Creighton  
Brian Blood's children

All proceeds from the Annual Brian Blood Memorial Golf Tournament will be donated to the Salgi Esophageal Cancer Research Foundation. The Salgi Esophageal Cancer Research is a 501(c)(3) nonprofit charities working to raise awareness, encourage early detection and to fund research of esophageal cancer, in hopes of cure.

# Brian Blood Memorial Annual Golf Tournament
